Dana’s Girls Summer Leadership Program will be built around each participant’s personal goals and strengths. Please help us get to know you better by responding to the following questions, in the space provided.

1. When you look ahead to high school, in what ways do you hope to be a leader? Talk about where – in the classroom, on the playing field, in an area of special interest – and why it is important to you.

2. Describe one personal value or character trait that is important to you and tell us why.
